City of Nevis
Grading and Filling Permit

The City of Nevis, State of Minnesota, hereby issues a zoning authorization to ___________; all in accordance with plans, specifications and/or supporting data contained in this record.

Type of Authorization:__________________________________________________________

Description: __________________________________________________________________

BY ORDER OF: __________________________________________________________________

Mayor ___________________________________________ Date _______________________

GENERAL PROVISIONS:
1. Permittee shall maintain temporary erosion controls at all times during construction in order to prevent erosion onto adjacent parcels of land, public waters, public roads and watercourses. Temporary erosion controls comprise straw bales, straw mulch, pollution curtains, filter cloth and the like.

2. Permittee shall install permanent erosion control measures within seven (7) days of completion of final grading or the termination date of this permit, whichever comes first.

3. No changes in plans or specifications can be made to the work authorized herein unless such change is first approved in writing by the permitting authority.

4. No certificate of occupancy or zoning compliance may be issued until all the provisions and conditions of this permit are complied with in full.

5. A copy of this permit or an official notice or placard thereof must be posted in a conspicuous place protected from the effects of weather no more than 12 feet above grade on the premises which the work is to be done and shall be maintained there until completion of said work.

6. The granting of this permit does not exempt the permittee from having to secure other permits from other state, federal or local units of government which may have jurisdiction over portions of the authorized project.

7. This permit terminates on _________________.

SPECIAL PROVISIONS:
1. Permittee shall use washed, beach sand when filling.

2.
